

Mangala Azhagar Ayyanar Koil

This temple is beautifully situated opposite to Gnanambal Samedha Kalhasteswarar temple, surrounded by beautiful trees. When you go towards the temple on your right you can see the water tank / pond.

To see a live video click to the link below  created by one of the kakkalani village member, part of JK33 channel. He has explained beautifully about this temple, which he says is kuladeivam. Thanks to his effort & sharing same.

<https://youtu.be/p1KJxF3cvzg>

In above video you can see Saptakanni inside the temple. Some of important pooja done here are “Chandana kappu for Ayyanar” & more important is special pooja called “ Palayam”. You can contact us to know more about same.

In picture above you can see the small pond in front of this temple.
