

About Us

In Sep 2022, a small group of members, RS Mani, Mrs Banu, Ms Lakshmi, Manikantan Kurukkal & Radhakrishnan (Radhu anna), over the discussion on cup of coffee, laid the seed for this group. Mrs Nalini Ganesan from Pattamani Iyer family added fuel to energise this group to gain momentum.

The current committee consists of experienced and responsible members from our family and the local community, who actively contribute their time and effort towards temple management, rituals, and development activities.

Every member of the Core Committee serves with devotion, integrity, and selfless service, treating this responsibility not as a position, but as a sacred duty entrusted by our ancestors and the deity.

Together, the Core Committee strives to safeguard the heritage of these temples and pass on the spiritual legacy to future generations.
